Home Reading

Dear Parent/ Carer,

A key priority for us as a school is to increase the frequency of reading for children in school and at home. Reading regularly at home has a significant impact on progress. Together, we can improve the reading skills of our children.

By Monday 16 September, all children will have brought home a reading book at an appropriate level to read **at least three times per week**. Each time you hear your child read, please sign their planner so we know children are completing home reading. Children should be able to read this book fairly confidently, as they are intended to build fluency. In addition to this, children may choose another book from the library to enjoy with an adult at home.

We ask that children **bring their reading book and planner into school each day** to enable our Reading Team to hear them read. Any children who are taught Phonics will have their books changed weekly. The library is open daily for children to take quizzes and change their Accelerated Reader book or select a book to enjoy with an adult at home.

Further details about Accelerated Reader, Read Write Inc Phonics and Fresh Start will follow.

Yours sincerely

E Pink
