Dear Parent / Carer

School Photographs - Bothal Primary School

Phototronics will be coming to both sites to photograph the children for their individual school portraits on Thursday 3 October. If you have more than one child on an individual site, they will be photographed together as a matter of course.

If you have children at both the upper and lower sites and wish them to be photographed together, these can be taken after school at the upper site between 3.30pm and 4.30pm. Please collect your children as usual and follow the sign outside the upper site office to the TLDC.

Please note that children in Year 5 and ICS should come to school in their uniform but wear trainers as they will still have their PE lesson.

Yours sincerely

S Lock
