

12 January 2024

Dear Parent / Carer

At Bothal Primary School, reading is at the heart of our curriculum; we strive to teach a love of reading to all children.

I would like to invite parents and carers of Reception children to attend a Reading workshop on Tuesday 23 January at 4.30pm. The aim is to develop your understanding of how children are taught to read in Reception, and you will have the opportunity to look through teaching resources. At the end, there will be an opportunity for you to ask any questions.

Please come in through the main office at Bothal Lower Site.

I look forward to meeting you.

Yours sincerely

*N Sleeth*
